Shorea Beach Resort management take over by Waka Hotels & Resorts

For immediate release – Waka Hotels & Resorts, operated by PT WHM Indonesia, has taken over the management and operation of Shorea Beach Resort which will be rebranded as the group's 3-star NusaBay Menjangan by WHM.

Located on Tanjung Kotal Bay, the resort is surrounded by the natural beauty of West Bali National Park and its extensive white sand beaches. The West Bali National Park's abundant faunas are frequently seen within the resort's grounds and on its secluded beach.

From Labuan Lalang harbour, the resort can be reached in 20 minutes by a local boat. Menjangan island, famous for its superb snorkeling and scuba diving, is just 10 minutes boat ride away from the resort's private jetty.

In order to carry out extensive refurbishment and enhancement of facilities and services, the resort is being closed on 10th December 2014. After upgrading, the resort will reopen in May 2015.

Waka Hotels & Resorts headed by the experienced hotelier Kamal K Kaul, the group's President & CEO, is currently managing and operating the following business units:

- WakaGangga - beachfront 4* fine resort in Tabanan, Bali
- WakaSailing - luxury catamaran sailing to Nusa Lembongan island
- WakaLandCruise -day trip in a classic Land Rover Defender or Land Cruiser to the secret soul of Bali on mount Batukaru
- NusaBay Lembongan by WHM - beachfront 3* charming resort on Nusa Lembongan island

“With the inclusion of NusaBay Menjangan By WHM in the portfolio of Waka Hotels & Resorts, we now have three resorts located in different parts of Bali. Each resort blends in perfectly with its own unspoiled area of the island, offering unique vacation spots for the discerning visitors wishing to get away from the crowded beaches of south Bali. This is in line with our determination to grow within our home island and

beyond with focus on off the beaten track locations surrounded by natural beauty, offering genuine Balinese hospitality,” stated Kamal K Kaul.
